

Slips and Falls: Biomechanics & Usability **Aditya Jayadas, Ph.D.** Dept. of Design, Housing, & Merchandizing, OSU

Friday, Dec. 5th, 12:15-1:15
North Hall 226, OSU-Tulsa
Simulcast to ITLE 105, OSU-Stillwater
Light lunch provided at both sites

At the conclusion of this seminar participants will be able to:

- Understand the mechanics of a slip and fall event
- Answer, "What do I tell my 81-year-old neighbor?" with strategies to reduce the likelihood of a fall & associated fracture
- Recognize the importance of doing usability testing as it relates to hip protection pads

Seminar Series sponsored by the OSU College of Human Science's
Center for Family Resilience, OSU-Tulsa
